

FILMEX CONVERTERS

DARNEL WRAP®

A wide variety of lengths, micronages and colors

Excellent adhesion ensuring an airtight container, preventing leaks

FILMEX CONVERTERS

Jumbo coils in a variety of widths or microns, manufactured in compliance with the most demanding Community Rules thanks to the meticulous thickness control in our production process.

You will get some easy rewinding rolls that maintain the film's elasticity and adhesiveness.

Rolls are made from one professional for another professional.

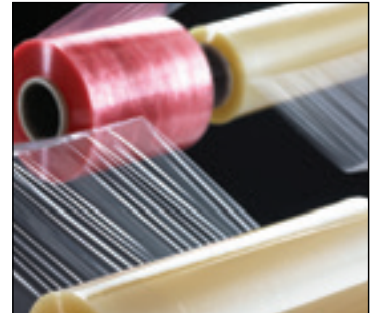

FILMEX CONVERTERS		
	Description	Migration Factor
